

Survey of Community Aspirations For the Gasworks

By The 3068 Group

Who is The 3068 Group?

Postcode 3068 covers the areas of Clifton Hill and Fitzroy North.

The 3068 Group is a local residents group fighting to conserve the heritage and amenity of our area and to protect it from the encroachment of unsympathetic development.

The 3068 Group formed in 1997 and is best known for the successful campaign to save the House of the Gentle Bunyip from demolition, resulting in a model housing solution for 9 people living with mental illness and 14 people on low income.
